

Presbytery of Gordon

Citation

On Tuesday 19th January at 7.30pm the Presbytery of Gordon is to meet online to receive the report of the Presbytery Plan Review Group. The PPRG will be presenting a proposed Presbytery Plan suggesting where we are aiming to be within our Presbytery going forward. The Review Group will respond to any questions raised.

It should be noted that the draft Plan will NOT be voted on, on the 19th January, but will be presented for a final decision at a meeting of Presbytery to be held in March 2021. Kirk Sessions and congregations will have time to look at the proposed plan and offer comments to the Review Group before the plan is voted on in March.

Presbytery asks that each congregation send up to four representatives to attend the online meeting in their interest and to submit their names to me at the earliest convenience to allow for breakout rooms to be established for further local area discussions if required.

The PPRG asks for permission to continue the cisting of the existing plan until March 2021 when a decision will be taken about the new plan going forward
